

WE HAVE WHO YOU'RE LOOKING FOR

At Corporate Brokers, we offer a wide variety of professional services designed to add immediate value to our clients' human capital needs. With a focus on recruitment and retention, we offer scalable, best-practice solutions for both Permanent and Contract Placement Services.

At Corporate Brokers, our success is founded on our commitment to finding and retaining today's most talented, sought-after professionals, as well as our ability to match the right candidate with the right client opportunity. From interim contract recruiting, to total outsourcing of talent acquisition strategies, Corporate Brokers will meet your needs, and exceed your expectations.

For each client, Corporate Brokers considers the short and the long term impacts of our solutions, not only on the staffing function but on the business as a whole. We pay special attention to your core competencies and corporate culture, so that our solutions are worthy investments in each stage of corporate growth.

WE WORK FOR YOU.

Our approach is simple: to view your recruitment goals as our primary responsibility, and to strive every day to continue to provide the best client service in the business.

Corporate Brokers believes that your competitive advantage is in your people. We also know that our advantage is rooted within our experienced staff and our relentless pursuit to fulfill your needs. **We measure our success by YOUR success.**

As your dedicated hiring resource partner, our goal is to ensure your total satisfaction every step of the way. Our Account Management team is unlike any other in the industry, taking the time to learn and identify with your perspective and unique business needs to guarantee a perfect fit. Whether you're looking to fill one position or one hundred, our unsurpassed level of customer service will continue to exceed your expectations every time.

WE STRIVE TO MAKE YOUR JOB EASIER.

We know your staffing needs have deadlines, so our quick turnaround ensures that **you receive details on our quality potential candidates in record time.** Using our proven methodologies and processes, Corporate Brokers will quickly meet your requirements for permanent or temporary staffing within the following industries:
